

# REDI-Sensor™ TPMS Sensors and OE TPMS Sensors

## REDI-Sensor™

- Multi-application sensor.
- Ready right out of the box - no added sensor programming or cloning steps.
- Pre-programmed and designed to follow existing OE vehicle relearn procedures.
- Works with all major TPMS scan tools.
- Metal clamp-in and rubber snap-in valve types available.

## OE Style TPMS Sensors

- OE-validated parts identical to those from the dealer.
- Exclusive domestic, Asian and European application coverage.
- Metal clamp-in and rubber snap-in valve types available.
- Built and backed by Continental, a pioneer and leading manufacturer of complete TPMS systems, sensors, receivers and replacement parts.

## Conti Parts App

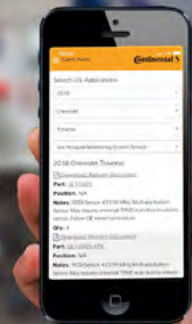

Download the "Conti Parts" App from the App Store or Google Play Store.

Search the catalog by part number, M/M/Y or VIN or use the "Conti Parts" App to scan the VIN barcode on the vehicle.
