

# We care about safety and quality

Not just a sensor,  
but a complete program

- OEM manufacturer of Tire Pressure Sensors, receivers and tires.
- We are a pioneer in developing TPMS technology and own over 500 TPMS technology patents worldwide.
- US based technical support.
- Online cataloging complete with 360-degree photography, installation tips and vehicle relearns.
- In person training opportunities.
- Virtual learning opportunities such as technical training webinars and instructional video library.
